

GEORGE

8 Sept. 1972.

Dear "George"

Many thanks for your letter. It was good to hear from you. It is indeed a coincidence that Pat Carter and I have occupied this same position.

I too recall well and with much pleasure your visit to Paris. Tell Gargie that the White Car is well and is with me here in Washington. He has learned several hard tricks. Around the end of the month I will move into quarters 22 Bar Ft. Myer.

I am very pleased that David has listed me as a reference and will be glad to recommend him highly to the Navy. Will love you up when I get to Florida. Best to the whole family

As ever
Dick
